

Infrared5 Featured as a Top App Developer

This November, Infrared5 was named as a leader among [Boston App Developers](#) by B2B ratings and review firm Clutch. Clutch is located in Washington, DC and has the most detailed and extensive research coverage on app development agencies and [app development software](#).

Their evaluation process took into account our previous work, client base, and proven ability to deliver on application development and design projects. A great part of the whole process was the interview they conducted with one of our clients. A summary of that review is below:

Quality: ★★★★★
Schedule: ★★★★★
Cost: ★★★★★
Overall rating: ★★★★★
Willing to refer: ★★★★★

CEO, Mobile Gaming Startup
📁 Industry: Mobile Gaming and Advertising
👥 Client size: 11-50 Employees
📍 Boston Metro Area
📅 Review date: Dec 10, 2013
💰 Project size: \$50,000 to \$199,999

"Infrared5 is very trustworthy. You know that they are doing the work locally with a great group of talented individuals. They are very responsive and professional."

— *CEO, Mobile Gaming Startup*

Clutch takes all of the factors including our client review and mapped us against other agencies with only the top [app development companies](#) making their Leaders Matrix.
